John Howell has been hired as the new Maintenance Supervisor. John and his wife Cristin have been married for over 25 years and live in the Sherman Oaks Golf community about 10 minutes away from the village. John attended Indiana Wesleyan University for 3 ½ years before transferring to Oklahoma Wesleyan University and graduating in 1998 with his Bachelors in Pastoral Ministry. John continued his education and obtained his Masters in Business Administration with a specialization in Organizational Leadership from the University of South Dakota. John was ordained in the Wesleyan Church in 2000 and has served as a bi-vocational pastor in the Iowa-Minnesota District, the Northwest District, and as a consultant for The Wesleyan Church. He currently leads a digital-based micro-church called the Sown Network and owns a small business called AdminMatch which works alongside pastors and business owners to create structures, systems, and processes for their organizations.

John can be reached at 352-737-1056 or maintenance@wesleyanvillage.org

NEW MAILBOXES

We will soon begin using the new mailboxes. Each of the new outside mailboxes have slots for outgoing mail.

- Wednesday is Yard Waste
- Friday is Household Trash

New trash bins are being distributed. ***Please stop in the Office to sign out your recycling bins.***

PROPERTY UPDATE CORNER

It has been just a little over a year now that I have been the Property Coordinator and I just want to thank everyone that I have helped sell or buy a property here. I have loved meeting everyone and helping those that want to buy or sell. It is so rewarding to help find the right fit for everyone interested in living here.

Properties are still moving rapidly here. We have 7 new residents in the last 2 months and I want to welcome them all to the Village. I hope that the residents that are here will look around and notice who is new and welcome them. They will be introduced at the next community coffee. I know some are not here but just know that we are all excited that you have chosen to be a part of our great community.

As I always say, keep an eye on our website for any additional properties, because this changes constantly.

Remember YOU are our greatest recommendation!

Thank you and God Bless!

CHAPLAIN'S CORNER

Hello, Wesleyan Village Friends,

Marcy Schlee, one of our Wesleyan Village residents, shared the following "Prayer for the Middle Aged by a 17th Century Nun" with me. Whether or not you think of yourself as being "middle-aged," I think this prayer gives us some inspiration:

"Lord, Thou knowest better than I know myself that I am growing older and someday will be old. Keep me from the fatal habit of thinking that I must say something on every subject and on every occasion. Release me from the craving to straighten out everybody's affairs. Make me thoughtful but not moody; helpful but not bossy. With my vast store of wisdom, it seems a pity not to use it all but Thou knowest, Lord, that I want a few friends at the end. Keep my mind free from the recital of endless details; give me wings to get to the point.

Seal my lips on my aches and pains. They are increasing and my love of rehearsing them is becoming sweeter as the years go by. I dare not ask for grace enough to enjoy the tales of others' pains but help me to endure them with patience.

I dare not ask for improved memory but for a growing humility and lessening cock sureness when my memory seems to clash with the memories of others. Teach me the glorious lesson that occasionally I may be mistaken. Keep me reasonably sweet; I do not want to be a saint; some of them are so hard to live with. But a sour old person is one of the crowning works of the devil. Give me the ability to see the good things in unexpected places and talents in unexpected people. And give me, O Lord, the grace to tell them so. Amen."

Let us enjoy the humor in this prayer and perhaps apply its wisdom to guide our lives as we age!

With you in Christ's service,

Bill

Pastor Bill Vallet

P.S. I remind you that we have several members of the Chaplain's Care Team ready to help carry on the Care Team ministry this summer. Administrative Assistant Caroline Staley is helping me stay connected with you, and you are always welcome to contact me directly by phone at 352.232.5588 or email me at communitychaplain@wesleyanvillage.org.

FROM THE BOARD ROOM

Thank you for your faithful stewardship to the community of Christ

Over the past months several persons have shared their input on operational matters in Wesleyan Village. One comment that a few have made goes a bit like this – “It seems that you are trying to run the Village like a business.” To that we reply, “Thank you.” *Maybe* you intended it as a criticism, but we received it as a complement. We are encouraged that people are taking notice.

There are one million three hundred thousand reasons (\$1,300,000) why we need to run Wesleyan Village in a business-like manner. That’s the amount of God’s money entrusted annually to the Board to operate an active adult Christian community. More importantly, there is one reason – *stewardship!* We have a responsibility to exercise faithful stewardship of the resources God has entrusted to us.

This community has an excellent record on stewardship. As individual members you faithfully pay your assessments and

contribute above and beyond to the ongoing work of God’s kingdom in this community. Our assessment collection rate is among the best in the nation. Thank you for your faithful stewardship. You are indeed deserving of our gratitude.

It can be confusing, however, when persons seem to think that running the Village in a business-like manner and operating a Christian community are somehow two incompatible actions. Why must we choose between the two? Operating a Christian community *requires* that we are good stewards and function based upon the soundest of business principles.

Good stewardship is a primary responsibility of your Board of Directors. A part of that stewardship is consistency of application of governing documents. Attorneys who specialize in Community Association law have made it clear that a major problem in community associations is *inconsistent enforcement of rules*. Over the past year, we not only revised our Governing Documents (approved by the General Board of Administration of The Wesleyan Church), but we have written and/or revised twenty-seven (27) Policies, eight (8) Operating Procedures, eleven (11) Job Descriptions, and thirty-six (36) Forms/Letters and counting. These have been placed into a Governance Manual. This is part of our effort to bring consistency to the operating of Wesleyan

Village – so that everything might be done decently and in order. We share this that you may grasp the importance of what we have spent a significant portion of our time on over this past year.

Will we continue to run Wesleyan Village in a business-like manner? We really have no other choice. When Dr. P.F. Elliott signed the original Certificate of Incorporation in 1971, he incorporated us under the laws of the state of Florida as *Wesleyan Bible Conference Association, Inc.* According to that document we are a “*place of business*” pursuant to Florida Statutes. We are subject to the governing authorities (Romans 13:1). We will remain faithful to our founder’s intent.

The better stewards we are, the healthier Christ-followers we become. Operating in a business-like manner is fundamental to being a Christian community. Thank you again for your faithful stewardship as followers of Christ.

*Rev. Gary E. Harris, General
Director
Wesleyan Bible Conference
Association*

DAN AND JOYCE CHAMBERLAIN 70TH ANNIVERSARY

Joyce and Daniel Chamberlain marked their 70th wedding anniversary on June 22nd and celebrated with over fifty family members on June 25th in the Elliott Tea Room in Brooksville Wesleyan Village.

Mrs. Chamberlain is the former Joyce Books of Upland, California. Daniel is originally from Mexico, Missouri. They met when they were college students at Upland College. The Chamberlains were married on June 22, 1952 at the Labish Village Brethren in Christ Church (the church Joyce's father built as both carpenter and pastor) near Salem, Oregon. Rev. Benjamin Books, Joyce's father, officiated.

The couple has seven children plus one adopted daughter who comes from Taiwan:

D. Rodney (Anne) Chamberlain of Woodstock, VA; Mark (Beth) Chamberlain of Goochland, VA; Anthony (Ruthanne) Chamberlain of San Jose, Costa Rica; Priscilla (Danny Hollander) Chamberlain of Ann Arbor, MI; Aletha (Philip) Huffman of Ocean Springs, MS; Cynthia (Farel) Becker of Wake Forest, NC; Marianne (Jonathan) Pinter of East Bend, NC, and Denna (Michael) Fan of Germantown, TN. The couple has 25 grandchildren and 21 great grandchildren.

Dr. Chamberlain served as an educator and administrator throughout his career with his final appointment before retiring being that of president of Houghton College in upstate New York from 1976 to 2006. Joyce served as an elementary school teacher for almost a decade near Mechanicsburg, Pennsylvania. While in Houghton she was involved in countless volunteer positions within the community including being a hostess extraordinaire for many college-related functions.

Daniel Chamberlain has often made this statement to his family in reference to marriage, "It's not the commitment to love so much as the love of commitment that sustains a marriage." We celebrate Daniel's and Joyce's love of commitment as evidenced on this special occasion and especially the deep love they continue to have for one another.
