**Independent Residency Requirement**

A requirement for independent residency within Wesleyan Village is that persons are physically and mentally capable of self-care. In determining the independent status of any individual, the Board of Directors of the WBCA will review the recommendation of the individual's personal physician and/or family/power of attorney (POA). When a person is deemed incapable of self-care, and it is determined that there is no responsible caregiver in the home, he/she, his/her family, and his/her POA will be notified in writing of this decision. Individuals requesting independent residency status may be denied membership on the basis of this decision. Current residents will have 90 days to transfer to other accommodations when ordered by the Board. Extensions to this time may be granted only by the Board of Directors. Management may be authorized by the Board of Directors to contact the appropriate State authority. *(WBCA Bylaw #6)*
